PROFESSIONAL PROFILE

Enthusiastic and detail-oriented Front-End Developer with strong knowledge of HTML, CSS, JavaScript, and React.js. Passionate about building responsive, user-friendly web applications and continuously improving coding skills through personal and academic projects. Eager to contribute to dynamic development teams and grow as a full-stack professional.

TECHNICAL SKILLS

HTML	React.js
CSS	
JavaScript	

PROJECTS

Project - 1

Title : Personal Portfolio

Built a responsive personal portfolio website from scratch using HTML and CSS. Includes sections like About Me, Projects, Skills, and Contact, designed to highlight my web development abilities and visual design sense. Focused on mobile-friendly layout and clean user interface.

Technologies Used : HTML , CSS , JavaScript

URL : sureshkadgala.github.io/Portfolio-sk

Project - 2

Title : Food Delivery Web Application (Frontend)

Developed a responsive food delivery Single Page Application (SPA) using React.js, enabling dynamic menu browsing, filtering, and a persistent shopping cart experience. Simulated backend functionality using local JSON data, emphasizing clean component architecture and efficient state management.

Technologies Used : React.js

URL : food-delivery-web-one.vercel.app
